Dear Hiring Manager,

I am Graduated student of Electrical and Electronics Engineering from St. Mary's Group of Institutions Guntur, Jawaharlal Nehru Technological University Kakinada, Andhrapradesh.

I'm writing to you to convey my interest in a full-time job with your company. Your organization's position as a leader in Technology and a well-known brand greatly impressed me and picked my interest in learning more about it. In my course work, I was exposed to some core courses. I have worked on projects where I got hands on experience with hardware and software designs.

Experience –

Currently undergoing hands-on technical training program – Embedded IOT Systems Course at Emertxe Information Technologies, Bangalore.

This course certified program, aligned with Skill India / NSDC under ESSC

Duration - September 2022 - April 2023 expected.

Modules – Linux systems. Embedded C Programming.

IOT cloud infrastructure. Performance and Security in IOT.
Setting up IOT workflow. IOT and High level Architecture.

Micro – controller programming using Arduino platform.

Languages – Advance C-program, C++, Data Structures, Python.

AMARA RAJA BATTERIES LIMITED - Chittoor, A.P.

Designation : ASSISTANT ENGINEER (QUALITYASSURANCE)

Department : [ELECTRICAL TESTING LAB]

Functional area: BMS – Battery Management System.

I believe that with my course work and past work experience, I can make an immediate and effective contribution to your company.

Thanking you,

Yours Sincerely, Jagadeesh.
